Vision

our vision is to offer each and every customer the potential consumers for their products to maximize their dramatic change; Larger your business – we are committed to helping our customers grow their business and to maximize their return on investment.

Mission

Aims of Somali Business and Health Expo

It provides a room to survey the available opportunities and new market trends. It demonstrates the display of significant events of goods and services offering research, and guidance of products in the markets.

Objectives of Somali Business and Health Expo

- To promote wellness, lifestyles and healing through Somali's Business and Medical system.
- One to one Business Meetings to increase the volume of Trade and Investment in Indigenous and the Africa's Medicine sector.
- To create a platform for local and overseas medical organizations engaged in the healthcare system to interact for their mutual benefit.
- To promote medical tourism in Somalia as an industry
- To create awareness about the products services, facilities and expertise available in Somalia to treat ailments through the Somali's Indigenous and Africa Medical systems
- To popularize Somali's Indigenous Medicine and Africa Medicine practices among the local and international public
- To showcase to Sri Lankans, the technology available in other countries in the medical sector
- To educate the public on achieving wellness through nature friendly and Indigenous and Africa Medical treatment systems using both medical techniques

The Benefits of Being A Part of Somali Business and health Expo,

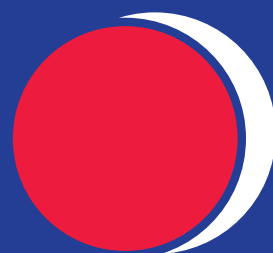

Participating in a business expo enables you to showcase your services and products to other people. In these events, you will be able to promote your small business developments.

This event is an excellent way for you to highlight the changes that have occurred in your business and its benefits. You can also get feedback from others about what they think of your service or product.

A Somali Business and Health Expo is also a good place for networking with potential clients or investors who are interested in purchasing your services or products. You can explain how these opportunities have helped your company grow and increase sales.

4 Reasons Business Expo are Important for Your Business

1. *Brand Awareness*
2. *Widen Your Network*
3. *Talk to Your Target Market*
4. *Perfect Platform for New products Promos and Campaigns*
